MAKE YOUR OWN BOXWOOD TOPIARY

DINNER & CRAFT CLASS

You asked for it...you got it!

The Christmas Topiary!

Whether you use this charming little tree to spruce up your dining room table, kitchen counter or holiday buffet, a Christmas topiary brings loads of holiday cheer!

You will need to bring a pair of wire cutters, craft scissors and a pair of hand-held garden pruners. We suggest that you share tools between TWO PEOPLE ONLY so that each person has ample time to complete this project.

All floral supplies will be provided however, for this particular class we encourage you to pick some greenery from your own yard and bring it to the class. Adding greenery from your own home personalizes your design and adds a special touch to your Christmas decor.

Arrive at 5:30 PM.
